This publication is a collection of papers originally presented at the 24th *International Symposium on Security Affairs*, hosted online by the National Institute for Defense Studies (NIDS) on December 6, 2023 from Tokyo. The views and opinions of the authors expressed in this publication are personal and do not necessarily state or reflect those of the respective organizations to which they belong, nor of any national government.

No part of this document may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, without the prior permission of the publisher.

NIDS is a research and educational institution of the Ministry of Defense, carrying out academic and policy-oriented research into issues of defense, security and military history, as well as the education of Japan Self-Defense Forces officers and civilian officials of the Ministry. NIDS also organizes exchanges with defense research institutions overseas, particularly national defense universities.

ISBN 978-4-86482-139-1
